The
I N N O L E C
L E C T U R E S H I P

invites you to special lectures:

Jon Tomas Gudmundsson

Faculty of Physical Sciences
University of Iceland
Reykjavík, Iceland

Wed 12/06/2019 10:00 – 11:50 Lower Meeting Room, Dean's Office

On ion recycling and electron heating in high power impulse magnetron sputtering discharges

Thu 13/06/2019 10:00 – 11:50 Lower Meeting Room, Dean's Office

An ionization region model of the reactive Ar/O₂ high power impulse magnetron sputtering discharge

FACULTY OF SCIENCE, MASARYK UNIVERSITY, KOTLARSKA 2, BRNO
