**Aim:** The long-term and traditional aim of the Bezovec conferences are meetings of professional as well as specialists from Public Observatories and Variable Stars observers from Slovakia, Czech Republic as well as from surrounding countries.

**Contributions:** Review papers, short communications, posters from stellar astrophysics and cosmology are desired. Data projector, PC and panels are available.

**Venue:** On the basis of very serious circumstances the venue of the meeting will be this year the Hotel Modrová (2 km behind the Modrová village) on the right from the main road Piešťany to Nová Lehota. The distance of the Hotel from the bus-stop on the main road (Modrová – horáreň) is exactly by eye-witness (Krištofovič) 300 – 900 m. The main road continue up the hill and after 4 km peaks Bezovec region, the historical venue of our traditional meetings.

**Finances:** The limited financial budget makes LOC collect conference fee from all participants in amount of **only 20,- EUR**. It includes accommodation and boarding during all meeting. Welcome cocktail, bandit-style refreshment and call-night are offered by sponsors.

**Registration:** Be so kind to send the title of your presentation/poster (Authors, Title, Affiliation, Time required and Abstract in word format) by email to: [hric@ta3.sk](mailto:hric@ta3.sk) not later than May 16.

**SOC and LOC are looking forward to see you under Bezovec hill.**
